objectives of the Mayor and the Council of the District of Columbia. For FY 2006, the District estimates total revenues and expenditures of \$7.35 billion.

CONTINUATION OF NATIONAL EMERGENCY WITH RESPECT TO LIBERIA—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 109-48)

The Speaker pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, without objection, referred to the Committee on International Relations and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date.

In accordance with the provision, I have sent the enclosed notice to the *Federal Register* for publication stating that the national emergency and related measures blocking the property of certain persons and prohibiting the importation of certain goods from Liberia are to continue in effect beyond July 22, 2005.

The actions and policies of former Liberian President Charles Taylor and other persons, in particular their unlawful depletion of Liberian resources and their removal from Liberia and sequestering of Liberian funds and property, continue to undermine Liberia's transition to democracy and the orderly development of its political, administrative, and economic institutions and resources. These actions and policies pose a continuing unusual and extraordinary threat to the foreign policy of the United States. For these reasons, I have determined that it is necessary to continue the national emergency and related measures blocking the property of certain persons and prohibiting the importation of certain goods from Liberia.

GEORGE W. BUSH.

THE WHITE HOUSE, July 19, 2005.
